Resurrection Lutheran School
LION'S TALE WEEKLY

October 21, 2019

Fall Sports Finish Strong!

Girls Volleyball Team ended the season 7-4. It was an exciting season filled with JOY on and off the court! The girls showed great improvement and look forward to facing the competition again next year!

Boys Soccer had a "hard-fought season filled with fun and comradery. A very bonding experience. It could not have been any better. Whether at practice or during the games, our players have acted as the perfect ambassadors to represent the Resurrection Lutheran School values and Christian principles. They made the difference on the field and on the sidelines by always giving 110% of their capabilities. I am very proud of them!" *~Coach Moscatello*

The **RLS Cross Country Club** has had the opportunity to participate in multiple local cross country meets learning how to outpace their competition with ease! It has been a delight to witness the enthusiasm in the runners as they gain confidence in their own abilities!

A special thanks to the players, parents and dedicated coaching staff, especially Robin Hester for leadership as the RLS Athletic Director.

RLS recognized at the NC State Fair!

RLS was awarded **1st place Elementary School in the Arts and Photography category at this year's North Carolina State Fair!** Congratulations to Ms. D, Art Teacher Extraordinaire, for her leadership and to all of our gifted students for sharing their gifts!

Mrs. Powell and her fourth grade class will head to the fair for

some fun as a wrap up to their study of NC!
