Resurrection Lutheran After School Program

As we start a new school year, we look forward to our 5th year of the after school program at RLS. We plan to continue the excellence of the RLS children's programs with enriching, enjoyable activities during the afternoon hours. Our "home-away-from-home" atmosphere in a Christian setting will give the students a chance to learn and play in a relaxed, less-structured way after school hours are over for the day.

Our typical afternoon includes some time right after school to have snack while relaxing and socializing. We then work on homework, if they have any, or do some planned activities, if they have no homework. Our activities range from games, to cooking, to art/craft activities, time to play outside or in the gym, and some computer homework time.

As we look ahead to the 2011-2012 school year, we are asking parents to let us know if they are interested in the after school program. **This is not binding**, but we feel that we can better plan with an estimate of the number of children who might be part of the program. Please send this form to the school office or call 851-7270 Ext. 29, if you feel that you might be considering our after school program or want more information. You can also e-mail me with questions through the school website at [cherispitz @rlscary.org](mailto:cherispitz@rlscary.org).

Thank you for your inquiry or reply,

Cheri Spitz, After School Director
