## Thanks for the Communication about Communication!

The RLS Board of Education recently forwarded you a brief survey focusing on the communication models we are using. We had a good number of responses and your input is very valuable to the Board. Your comments about the new website, teacher and administration communication, and the opportunity for you to give general comments enable us to stay informed. Please feel free to pass along input to me at any time. You don't have to wait until the next survey or Coffee with the Principal.

Speaking of the Coffee meetings, we had a great response to the recent one that had a specific topic discussion. The topic involved transitioning students from RLS to high school. Information was shared by RLS faculty, Board members, and parents who are involved in this process. We were able to share materials from private/parochial schools as well as the Wake County Public School System procedures and processes of application. Look for more "topical" discussions in our upcoming Coffees. Topics will be published in the Pride.

Thanks once again for your input, support, and partnership as we all work together to make this a God-pleasing school for our children.

In Christ's Service,  
Tom Kolb, Principal

National Lutheran Schools Week 2010

National Lutheran Schools Week will take place March 7th—13th. The theme is "Securing Each Child's Future—For a Life of Service." A schedule for the week will be forthcoming. **Mark your calendars for all the children to come together as a school to sing at the 10:30 a.m. service on Sunday, March 7th!**

## Calling All Bakers!

The PSO will be having a bake sale on Sunday, March 7th before and after all services. Any kind of baked treat is appreciated...breads, muffins, cookies, cakes, pies, etc. Please wrap muffins, cookies, or cupcakes individually or in small quantities. It's also helpful if you label your items...people are more apt to purchase if they know what they're getting! Please make a special note if your baked good contains nuts. Feel free to put your items in a pretty basket or container, but be sure to put your name on the bottom so it gets returned to you. Items can be dropped off at Friday carpool on 3/5 or delivered Sunday morning. Since we'll be setting up bake tables in a few locations, I could also use some helpers on Sunday morning. Please let Jenny Kolb ([jkolb@juno.com](mailto:jkolb@juno.com)) know if you are able to bake or help. Thanks for your support!

**Reserve this Date!** Thursday, March 25th, the Middle School Drama students will perform *Romeo and Winifred*, a comical spoof of *Romeo and Juliet*. This play turns Shakespeare upside down and shakes things up with a stage full of zany modern-day characters. Before watching the entertainment, enjoy Italian themed dining at 6:00. Tickets go on sale the beginning of March. Contact Mrs. West with any questions at [karen-west@rlscary.org](mailto:karen-west@rlscary.org).
