## A Sincere Thanks!

Each year I have taught or been an administrator in a Lutheran School, I have been overwhelmed by the outpouring of generosity the parents and students show at Christmas time to their teachers and the staff of their school. This year was no exception. The many presents that were given me are truly appreciated. I know I speak for all of our staff as well as I say "thank you" for all the wonderful and thoughtful gifts.

It is very humbling for educators to receive such gifts. We do what we do out of a deep sense of mission and to know that our work is so appreciated enhances that feeling. Again, thank you all so much on behalf of the entire faculty and staff of Resurrection Lutheran School.

We look forward to a continued partnership with you in the New Year and into future academic years. God's continued blessings to you and your family and our shared school ministry.

Yours in Christ's Service,

Tom Kolb, Principal
