## Go And Tell Others...

The scriptures relate to us that Jesus commanded us to “go and make disciples of all nations” (Matthew 28:18). One way we can do that here at Resurrection Lutheran School is to tell others about our ministry here. Perhaps there is a friend, co-worker, or neighbor you know that may benefit from their child attending our Lutheran school. We rely on your spreading the word of our work here.

As Lutheran Schools Week approaches, it is time to celebrate all that we have been blessed with here at RLS. These blessings are there to be shared with our community as well. Spread that word, go tell others. I thank you for your partnership in all that we do. I look forward to seeing you at many of our Lutheran Schools Week events. Remember, we kick off LSW with our children participating at Resurrection Lutheran Church's 10:30 am service, March 7<sup>th</sup>. The students should be in their official school uniforms. We also will be hosting a bake sale at all the RLC services this Sunday.

In Christ's Service,  
Tom Kolb, Principal  
| John 2:5-6

## How Resurrection Lutheran Reaches Out...by Faith, through Christ, for Service:

Did you know Jesse Claire Walker, 4th grader, collects cans for the Cystic Fibrosis Foundation? She was inspired by Mrs. Redlin's 2nd grade recycling lesson to

help our environment and thought why not do both, help the environment and raise funds for a worthy cause! Jesse Claire has been collecting cans for two years now and once a month she and her dad take them to the recycling center in Raleigh. They weigh them and pay her by the pound. So far this year she has earned \$32.52 for her efforts! Jesse will be gathering cans on March 12th and April 16th to round out this year. She plans to take them to the recycling center in time to donate to “Spencer's Spirit” this spring! If you have any aluminum cans to send in, she will happily recycle them for you. Keep up the “good works” Jesse Claire.

## Tubs (& tons) of Love

were delivered to the Raleigh Rescue Mission by the 5th grade class last Friday. Thanks to generous donations by all our RLS families, several containers were dropped off to provide needed items to the homeless and less fortunate in our area. A special thank you to Jenna Austin for heading up this worthy outreach event.

**Mrs. Smith's first graders** will be ushering in the spring season with their Easter Service Event. Due to overwhelming positive response to their December Service Project, they will once again be collecting items to support InterAct, a private, nonprofit United Way agency located in Raleigh, NC. This agency provides support and a safe haven for victims of domestic violence and helps them regain their lives in a non-abusive environment. If you would like to donate gently used women's and children's clothing and/or stuffed animals, it would help their cause. Your items can be dropped off in the kindergarten room anytime, now through March 19th. They are looking forward to delivering the fruits of your children's labor before the Easter holiday.

## Dinner Theater!

Join us for dinner and the middle school production of *Romeo and Winifred* on Thursday, March 25th. The last date to purchase tickets is Friday, March 12th. This allows our chef for the evening, Kim Otten, time to prepare her palatable pleasing meal. The menu for the evening is meatball-pesto lasagna with romano cheese, anti-pasto salad, oregano green beans, love knot rolls, and frozen spumoni-tortoni mousse. Remember tickets may be purchased inside the school in the morning and in carline in the afternoon. Tickets are \$5 for adults and \$3 for children under twelve, for the 6 p.m. dinner and show!

Spring Fling will be here before we know it! Mark the calendar for April 10th and watch for the Activity Menu and Presale order forms to come home next week! We are looking forward to a FUN-filled family day for our biggest fundraiser of the year!

## Oh, Jonah! RLS Spring Musical 2010

Oh, Jonah is a whale of a good time as the story of the prophet, Jonah is brought to life with music, mime and merry-making. It's more than just a story about a whale swallowing a human. It's a story about us. It's a tale involving responsibility, repentance, listening for the word of God in our lives, accepting people who are different from us, and believing that there is mercy and compassion for all who turn toward God-serious thoughts but told with a sense of humor and frolicking.

Fourth and Fifth Grade Students will have the opportunity to audition for a few singing and speaking roles

- Jonah**- strong singer with a touch of comedy
- Captain**-strong singer, obvious leader type
- King of Nineveh**- regal with a clear solo singing voice
