* Parents may be asked to replenish materials as items are consumed or become worn. Occasionally parents may be asked to provide additional “wish list” items for the class. Examples of wish list items are a class-sized hand sanitizer, plastic forks and spoons, or items used for a special class project such as newspaper or food items.

Please write your child’s name on all notebooks and folders. Please be aware that most of the other items will be placed in a community bin for all students to use.
