LANDS' END SALE

Take advantage of the Friends & Family Sale! September 17-23, 2020!

You may now choose between two logos for your child's PE t-shirt. Logo is optional for navy shorts.

GENERAL DRESS CODE REMINDER

Pants: Walking shorts or pants are required. Fit should be comfortable; not too loose or too tight. Students are encouraged to wear pants that touch the top of their shoes. No sweatpants, soccer shorts, gym shorts, etc. are allowed (see PE Dress Code for exceptions). No cut-offs are allowed unless they are hemmed. No spandex or leggings may be worn as pants. Girls may wear leggings under skirts, jumpers, or dresses that are at least midhigh in length. Leggings should follow the RLS school color guidelines as outlined under "Dress Code: General Appearance".

Shorts/Skirts/Skortis: length should be mid-thigh or longer.

Dresses: length should fall between the knee and ankle. The dress should be the designated school color. Collared shirts must be worn under jumpers or sleeveless dresses.

Shirts: must have a collar or turtleneck. Sleeveless shirts for girls in warmer weather are allowed as long as they have collars, have the material between the neckline and arm at least "three fingers" wide (no "spaghetti straps"), and are form-fitting around the armpit area. Shirts should not have designs or writing on them, with the exception of approved shirts with the school logo. No plunging or scooped neckline. No see through or meshed material. Normally, shirts will not have to be kept tucked in. However, it is at each teacher's discretion as to whether shirts will be kept tucked in on certain occasions, such as special trips, events, or times when visitors come to class, etc.

T-shirts: can be worn on casual days only. Designs or writing on the t-shirt should be age appropriate. Crude language or pictures will not be tolerated.

CARPOOL

We are very pleased the way the carpool is going and appreciate your assistance as we continue to fine tune the procedure. We have recently erected shade structures in the first tier of the parking lot to create outdoor educational space for our students. As a result, cones will be placed on each end of the upper lot during the school day to prevent cars from entering this space. If you are running late or need to pick your child up during regular school hours, you are welcome to drive down the center lane and park in the spots designated "Guest" or "Senior" parking on the right side of the school building. Please contact the school office if you have any questions.

*IMPORTANT: We would ask that you arrive **no earlier than 2:45 pm** for afternoon pick up , if possible.*

HEALTHY TOGETHER

Reminder:

Staying hydrated is so important especially in this heat! Please remind your child to take home their water bottle each day for a fresh refill. Each room is disinfected daily with "Mr. Mister" and we want to prevent misting student water bottles left behind:).

MUM FUNDRAISER

There is a group of RLS students and Alumni hoping to travel to Europe March/April 2021 (Covid willing) and safety approved. In order to help defray some of the cost we are taking orders for mums locally grown at a nursery in NC. We have used this nursery for several years and have been pleased with the flowers.

Orders will be taken until September 14th and delivered September 18th to be sorted and then distributed. You can either pick up your flower on the afternoon of the 18th, at church that weekend, or we can work out a delivery time and location to get them to you. Please send your order to maryann.unger@rlcary.org and indicate how many and what colors you prefer. We have orange, white, yellow, red, and a pink/purple blend. The plants are a 12 inch diameter. When delivered, typically not all are quite in full bloom when we receive them but they turn out gorgeous. You can use them as is for decoration or replant into the ground. Many come back the next year! Cost is \$12 per plant (cash or check made out to RLS).

Thank you for your support and encouragement!
