- At this time the goal is to do these bulk orders, One before Christmas, and one in the spring

**- Wondering what distribution will be like upon arrival, possible help needed?**

Box Tops – Brittany Yokeley

- \$1, 000 is the goal for this year
- Brittany figured each student would need to bring in 62 box tops each to meet our goal. She suggests utilizing that angle this year in hopes of more success

#### Book Fair – Stacy Parr

- Last school years sale was very successful
- October was the plan for the next one. In person sale is not possible at this time. Virtual fair option and details were discussed. Marketing to generate interest would be the biggest job for virtual.
- Virtual fair was decided on for the fall sale
- Follow-up is needed to secure dates for virtual book sale
- Kim Sams volunteered to be part of this scholastic committee.

#### Fundraising – Helen

- Eat out fundraisers= (City BBQ 10/5, Chipotle 11/17) both will be ran “COVID style” as is the current norm. Chipotle for example will now allow online ordering to be contributed, and they offer a 33%!!! Donation compared to the normal 20% most establishments offer.
- Card linking was discussed (like grocery, amazon...). This is currently available. Possible reminders needed and “how- to” provided?
- Lesley Kohler suggested Food Lion gift card program was suggested and to be looked into
- Possible produce sales like pumpkins for example was suggested by Brittany Yokeley
- Kim Sams suggested a silent auction to be done virtually

#### **Volunteer Needs**

New Family Mentoring – Middle School Team Lead, Elementary School Team Lead (Recruitment ideas?)

- We have 40 new families this year! So, great! Connecting these families and others is so important, even more so now with so much isolation incurring through this Pandemic.

PSO Care Team – Middle School Team Lead, Elementary School Team Lead (Recruitment ideas?)

### Family Fun Drive In Movie Planning Team

- Separate events for Elementary and Middle School are suggested
- Chris Johnson volunteered to be part of this committee

Middle School Connections Team – Co-chairs? Middle School specific activities/enrichment

A description of these new committees was requested and asked to be put in the Lions Tale

### Additional Business

- Outdoor wish-list from teachers was requested, Rosie was asked to obtain those if possible. Outdoor items like picnic tables were requested in order for the children to utilize the outdoor environment to connect and learn when possible. Lots of work was put in to making the inside of school “COVID compliant” this year and the outside understandably didn’t get much attention.
- Katy ward volunteered to help wherever needed
- Sara Syvinski volunteered to help with the care committee or help plan an event, wherever she is most needed
- Shannon McSwiney volunteered to plan a family fun event

In summary, our action items are as follows:

- Rosie would like to know when we would like to have the 1<sup>st</sup> Spirit Day?
- Possible help needed in distribution of spirit wear items upon arrival?
- Ideas and/or connections for possible cultural arts events were requested.
- explanation/tutorial on how to do box tops in the Lions Tale. Rosie will include in Lions Tale if info can be sent by this Friday e.g short blurb/flier to explain the program
- Virtual Book Sale dates need to be decided
- Possible reminders needed and “how- to” provided for linking cards for fundraising purposes
- Food Lion gift card program was suggested and to be looked into
- Need to decide on dates for the next 2 uniform sales and attic access/ help with retrieval. Donations are also needed and were in demand in certain sizes like boys size 5/6, 7/8.
- A description of these new committees was requested and asked to be put in the Lions Tale
- Outdoor wish-list from teachers was requested, Rosie was asked to obtain those if possible.

In conclusion, the overall focus this year is CONNECTIONS, and a bit of fundraising too 🐾
