LION'S TALE WEEKLY

March 19, 2021

Mission: Resurrection Lutheran School is committed to educating generations of children in the training and instruction of the Lord. Because of this commitment, we will provide a Lutheran educational experience that is Christ-centered as well as academically focused for children in junior kindergarten through eighth grade.

THANK YOU FOR YOUR SERVICE

Thank you RLS school families for your generous donations! The PSO Care Team (Martha Paige Althaus/Katie Ward) delivered gift bags to local WakeMed healthcare professionals to show our gratitude for all they are doing to

keep our community safe!

PSO NEWS

Here's your morning PSO infomercial! We are looking for some "one hit volunteer wonders" - no long term volunteer commitment necessary! These are all opportunities to support our school community for one event/activity! Your time commitment could be as little as an hour on up to several hours depending on the activity you choose!

Are you more interested in virtual volunteering? Then sign up to be a co-host for your student's virtual classroom family fun night! <https://www.signupgenius.com/go/20f0c44aaaa2ca0fc1-virtual>

Pick a date, plan a virtual night, invite the parent's/students from your class - this can be something you put a lot of time/creativity into, or something that you use one of our event activity templates for planning! Easy peasy!

Are you looking for an in-person volunteer opportunity? Then sign up for one of our campus clean up teams here: <https://www.signupgenius.com/go/20f0c44aaaa2ca0fc1-campus>

The campus clean up teams we need include:

- a group to relocate the basketball goal (we will provide the directions from Goalrilla, a new anchor kit system and cement for new location - we need your muscle, willingness, and a few tools!)

- a group to repaint the hopscotch/four square and possibly add other painted activities to our concrete spaces (we will provide supplies!)

- Dump Team - do you have a truck or a vehicle with space for bulky items? Sign up for our Dump team!

We have 3 picnic tables that need to be cut into pieces and removed to the dump. We are also getting a list from Mr. Garrett of additional items to remove from campus

- General beautification: raking mulch into place, refreshing sand/mulch as needed, wiping down play equipment

Questions about any of these opportunities? Reach out to me at helenle36@aol.com!

Thanks in advance for your willingness to give of your time and energy!

SPRING BREAK (March 26-April 5)

Use common sense and slow the spread!

- Get a [COVID-19 vaccine](#).
- Wear a [mask](#) to protect yourself and others and stop the spread of COVID-19.
- [Stay at least 6 feet \(about 2 arm lengths\)](#) from others who don't live with you.
- Avoid crowds and poorly ventilated spaces.
- The more people you are in contact with, the more likely you are to be exposed to COVI
